

Hockey Winnipeg Announces the 2021/2022 Lindsay Tait Memorial All-Star Team

Each year, Hockey Winnipeg hosts a series of All-Star Days that serve to celebrate the accomplishments of our players across many age categories and ability levels.

Unfortunately, due to the ongoing Covid-19 Pandemic the All-Star Games will not be played at this time as we are trying to protect our Regular Season and Playoff Schedules as best we can. Mixing the players from across the league onto two teams for an event like this could lead to an unnecessary spread of the virus.

Despite the fact that the games will not be played this winter, we are proud to present the rosters for the 2021/2022 Lindsay Tait Memorial All-Star Teams! The Lindsay Tait Memorial All-Stars have been selected from the Male U15 A2 Division and there are representatives from all 20 teams in the league. The event has been hosted by the St. James Minor Hockey Association out of Allard Arena for years and will be for years to come.

Congratulations to the 2021/2022 Lindsay Tait Memorial All-Star Teams!
